

# Week 8

*Chandler  
Jewish  
Playgroup*

October 22-26

Our Camel we made from our shadows!!  
It has six humps!!

Don't forget to look at the Bulletin Board for updates and to see the themes and letters of the week!

We had a great week at Chandler Jewish Playgroup with lots of fun crafts and games! Have you ever been on a trip before? Well this week in playgroup we all went on a trip! We made our own suitcases and packed them with food, clothes, and everything else you could need to travel with. We did this because Hashem told Avraham he should go on a trip, but he didn't go by

plane or car, he went by camel! We made our own pretend camels too, and pretended their humps were filled with water just like real camels. Hashem also told Avraham that he would have as many children as the stars! That is a lot! We tried to count how many stars there are (in a picture of the sky) but we couldn't- there were way too many! We really wanted to see 'real' stars so we made our own telescopes! It is so cool to see the stars

during the day! We also learned a cool way to paint stars-by using a spray bottle! It was really fun to see the different size stars that came out depending on how hard we squeezed the bottle.

This week's letter was D. Morah Masha taped a D to the carpet and we had fun Dancing inside the D. We tried to come up with other actions to do inside the D but it was really hard to think of more D words. Max figured out that we could Drive on the D, and Maliya figured out that we could Do tricks on the D. The best arts and craft we did with D was put Dots on the D! Morah Miriam drew black dots on the D and we used our fine motor skills to only squeeze a small amount of glue on the dots, and then glue down colorful Dots! For our Hebrew letter of the week- Gimmel we practiced a 'Gimmel Dance'. Go, go gimmel, go go go gimmel- just ask and we will show you how its done! Thank you Morah Sharleen for joining our preschool class while Morah Miriam was away- we had so much fun with you!

Have a great Shabbos,  
Morah Masha, Morah Miriam, and Morah Sharleen

We watch the building get higher and higher every day and can't wait for it to be finished!

Song of the Week:

Sally the Camel has four humps  
Sally the Camel has four humps  
Sally the Camel has four humps  
So ride, Sally, ride.  
Boom, boom, boom, boom!

Sally the Camel has three humps...
