

# Week 10

*Chandler  
Jewish  
Playgroup*

November 5-9

*We are so excited for our  
new preschool building!!!*

We are collecting baby food jars for a project- if you have any empty jars we would really appreciate it!

**Happy  
Birthday  
Toby!!!!!!**

What a fun week at Chandler Jewish Playgroup! We did so many different crafts and games we didn't want the week to end! On Monday, we started learning about the Parsha of the week- Chayei Sarah. In this parsha, Eliezer goes to find a wife for Yitzchak. He brings her lots of presents, and beautiful jewelry. We used beads and pipe cleaners to make beautiful jewelry for our moms! We made some for ourselves too, of course! Eliezer asked Hashem for a sign to show him who will be the right girl for Yitzchak. The sign was that when he will ask the girl for water to drink from the well, she will offer to give not only him water but to his camels too! Right after that Rivka comes and offers water to Elizer **and** to the camels! Now he knew she was the right one for Yitzchak. We learned all about how wells work- and even made our own! We are so lucky that we don't have to carry water from wells anymore and instead have faucets that give us water! We like to get our exercise by taking a walk outside to

check on the construction- the building is getting so high we can't wait for it to be done and to have brand new classrooms! This week Morah Masha taught us another way to exercise- Yoga! We practiced taking deep breaths and all sorts of different yoga poses- check out the pictures to see how silly we looked!

This week's letter of the week was F. F for Fluffy Feathers and Funny Fire trucks! Our Morahs took out a new toy this week- word puzzles! We are all really good at putting them together!

Our Hebrew Letters of the week were Daled and Hey- we had a fun Alef Bais hunt and had a blast finding all of the letters that were hiding around the Shul.

Can't wait for next week!

Have a great Shabbos,

Morah Masha and Morah Miriam
